7. In what issue area does Janice Hahn primarily sponsor bills?

Transportation, Public Works

4. Why do you think being an incumbent helps a politician get re-elected at such a high rate of success?

Those that have power stay in

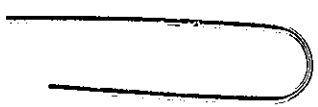

power. Why do think this is the case?

5. Based on Janice Hahn's voting record in the past 10 months, as well as her campaign funders/donors, what conclusions can you draw?

Look at Hahn's voting record and who gives her money.

X

TEAM MEMBERS:

1. According to the data that you have on Janice Hahn, how many times did the **incumbent** win re-election to Congress? (Give your answer in terms of percent, e.g. 10%, 25%, 70%, et cetera)

2 win 100%

2. How long has Janice Hahn represented the 44th **Congressional** District?

2 years

3. On what committee(s) is Janice Hahn a member?

House Committee on Small Business (Congress/committees/HSSM)

House Committee on Transportation and Infrastructure (Congress/committees/HSPW)

7. In what issue area does Janice Hahn primarily **sponsor** bills?

- Transportation and Public Works
- Armed Forces and National Security
- Education
- Taxation
- Crime and Law Enforcement
- Emergency Management
- Commerce
- Government Operations and Politics

4. Why do you think being an **incumbent** helps a politician get re-elected at such a high rate of success?

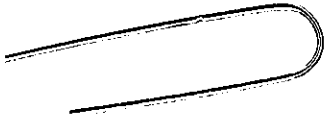

The person @ already having power @ will be able to stay in power making them incumbent.

- Controls many powers such as money

5. Based on Janice Hahn's voting record in the past 10 months, as well as her campaign funders/donors, what conclusions can you draw?

Based on Janice Hahn's voting record in the past 10 months those who have contributed to benefit her also benefited themselves. In other words...?

TEAM MEMBERS:

1. According to the election data that you have on Maxine Waters, how many times did the incumbent win re-election to Congress? (Give your answer in terms of percent, e.g. 10%, 25%, 70%, et cetera)

Maxine Waters won ^{times} 5 re-election to Congress
100%

2. How long has Maxine Waters represented the 43rd Congressional District?

Maxine Waters represented the 43rd Congressional District for four years, 2013-2016.

3. On what committee(s) is Maxine Waters a ranking member?

The Committee(s) that Maxine Waters a ranking member are the House Committee on Financial Services
Financial

4. In what issue area does Maxine Waters primarily sponsor bills?

The issue area that Maxine Waters primarily sponsor bills are health, Crime and law, housing and Community Development and Transportation and Public works.

5. Based on Maxine Waters' voting record in the past 10 months, as well as her campaign funders/donors, what conclusions can you draw?

~~Her~~ The conclusion I can draw is that for the past 10 months in her campaign a lot of people vote her for no.

Maxine Waters votes "No" often - others cannot vote for her

6. Why do you think being an incumbent helps a politician get re-elected at such a high rate of success?

I think being an incumbent helps a politician get re-elected at such a high rate of success ~~to~~ ^{because} she was already in the system and she was maybe doing a good job.

Can you think of other reasons why an incumbent would be so successful?

TEAM MEMBERS:

4/6

1. According to the election data that you have on Maxine Waters, how many times did the incumbent win re-election to Congress? (Give your answer in terms of percent, e.g. 10%, 25%, 70%, et cetera)

71% , 40.2% - this is the percentage of votes that Waters and her opponent received
WATERS OPPONENT

2. How long has Maxine Waters represented the 43rd Congressional District?
she been a represented since 2013-2014

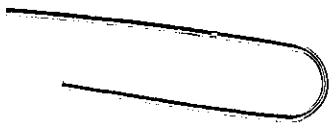

3. On what committee(s) is Maxine Waters a ranking member?
Ranking Member, House Committee on Financial Service (Congress/committees)

4. In what issue area does Maxine Waters primarily sponsor bills?
Health HSBA)
crime and law Enforcement Transportation and public works.
Housing and Community Development

5. Based on Maxine Waters' voting record in the past 10 months, as well as her campaign funders/donors, what conclusions can you draw?
Based on her voting records her campaign was most "no". Every one was saying "no" but a few months later ^{they} it ~~been~~ began to say "Yes."

6. Why do you think being an incumbent helps a politician get re-elected at such a high rate of success?
I think being re-elected at a high rate of success ^{occurred because} people loved the things she has done, ~~more~~ ^{and} plus she is already in the system and knows what's going on.

TEAM MEMBERS:

- x 1. According to the election data that you have on Maxine Waters, how many times did the **incumbent** win re-election to Congress? (Give your answer in terms of percent, e.g. 10%, 25%, 70%, et cetera) Maxine Waters won re-election to congress with percentages of 71% incl 46.29%
- ✓ 2. How long has Maxine Waters represented the 43rd Congressional District? Maxine Waters has represented the 43rd Congressional District from 1993-2017.
